IOWA GROCERS EDUCATION FOUNDATION AWARDS 91 SCHOLARSHIPS

The Iowa Grocery Industry Association raised more than \$104,000 in 2017 to fund scholarships through the Iowa Grocers Education Foundation. These fundraising efforts fortify the foundation's finances so that it can continue to provide scholarships to deserving youth with connections to the grocery industry. The foundation received 420 applications for the 91 scholarships that were awarded for the 2017-18 school year. Scholarships, totaling \$149,350, were awarded to students who are at least part-time employees of an IGIA member company or the children of full-time employees working for an IGIA member.

Two primary fundraisers that make the IGEF Scholarships possible are the IGEF Scholarship Golf Classic, which brought in \$68,670 this year, while another \$35,350 was presented to the IGEF through the IGIA Convention Auction for a total of \$104,020.

Mueller Yurgae Associates also made a significant contribution to this year's fundraising efforts, providing a \$2,000 sponsorship and raising \$1,115 for the IGEF Endowment Fund through the IGIA Early Bird Golf Tournament at the IGIA Get Connected Convention.

IGEF PROVIDES MEMBER- FUNDED "PIGGYBACK" SCHOLARSHIPS

The IGEF "Piggyback" Scholarship program allows IGIA members to award scholarships to their employees and children of employees without the expense of administering a scholarship program. Participating in the "Piggyback" scholarship program has many potential benefits. A company or individual can honor a relative, founder or former leader by designating a scholarship in that person's name. Offering a scholarship could have potential tax benefits (be sure to consult with your tax professional). Assisting young people to obtain a college education enhances a company's image. The option to provide "Piggyback" scholarships is just one among many benefits afforded through IGIA membership.

CONVENTION AUCTION RAISES \$35,350

The IGEF Board of Trustees announces that thanks to the efforts of the 2017 IGIA Convention Auction Committee and participation from its many donors and bidders, this year's auction raised \$35,350. These funds will help to ensure that the IGEF scholarship program is operating from a strong financial position to support deserving youth in obtaining a college education.

2017 Scholarship Golf Fundraiser Surpasses Amount Raised Last Year

The numbers are in! Iowa Grocery Industry Association members raised \$69,950 for the Iowa Grocers Education Foundation during the 26th Annual IGEF Scholarship Golf Classic.

The golf event, which was held Wednesday, May 10, 2017, took place at the Otter Creek and Briarwood golf courses in Ankeny, Iowa.

Despite sporadic thundershowers that day, this worthwhile event was a big success. Not only was it lots of fun for everyone involved, the dollars raised will allow the foundation to award scholarships to deserving college students with ties to the grocery industry.

A total of 221 golfers participated in the event, contributing \$3,530 to the IGEF by purchasing raffle tickets and taking part in putting contests.

HISTORY OF THE IOWA GROCERS EDUCATION FOUNDATION

Mary I. Fitzgerald Scholarship Program

The Iowa Grocers Education Foundation was established in 1992 to assist youth with ties to the grocery industry achieve their dreams of obtaining a higher education. The IGEF Scholarship program was renamed the Mary I. Fitzgerald Scholarship Program in 1997 in tribute to Mary I. Fitzgerald, who guided the Iowa Grocery Industry Association from 1964 to 1981.

Since 2001, the IGEF has helped approximately 1,300 youth obtain a post-secondary education, awarding 1,409 scholarships, totaling more than \$2 million. These scholarships paved the way for youth to achieve their ultimate career goals within and outside of the grocery industry.

A large number of the deserving young people assisted by these scholarships say that they would not be the doctor, CEO, nurse, teacher or business professional they are today without the help of the Mary I. Fitzgerald Scholarship Program.
