Why contribute?

AMPLIFY YOUR VOICE

GroPAC supports candidates who understand the importance of the grocery and convenience store industries. Giving to GroPAC helps IGIA members unite together with one voice to be heard loud and clear on the important issues impacting their businesses.

BE A LEADER

GroPAC directly helps IGIA develop relationships with the rulemakers in Iowa. Contribute at a level that works best for you and signal to members, regulators, and legislators that you're a leader in the public policy conversation.

INVEST IN YOUR SUCCESS

Contributing to GroPAC is an investment in your future and far less costly than legislation with unintended negative consequences for your business. GroPAC fosters a positive business environment that sets you up for success for years to come.

The Iowa Legislature will take up issues of enormous impact to your business in 2022.

Your support of GroPAC is urgent!

There's never been a more important time to contribute.
